

To the officers & members
of
Triginta Optimi

To the members of Triginta Optimi,
The reason I am writing this
letter is to get something straight.

The reason we are having
Jimmy Maino narrating part of
the play is because C.O.S. is us
our big brothers.

We have no intentions
of hanging around them, or doing
anything with them during
pledging. You guys mean alot
to the girls in Tausia. We want
to be friends and have parties
with ~~at~~ you like last year,
and Tausia have had too
much fun together to just
forget about the friendships
that has grown between the
two.

We don't want any guys at
our first trust besides Jimmy +
Mark. But we all want to
have a party afterwards and
you are all invited to come to
it.

We want to apologize for
what has happened. And
we hope we can all we can
all be friends again.
